

The Cheadle and Marple College Network Mission:

“To promote the highest quality education for our students, whatever their age, background, and ability; and to be recognised as outstanding within the community we serve.”

Our Vision:

“To create a unique, high achieving College Network within Stockport.”

Our Values:

Students are our first priority. Both staff and students are expected to work with:

- Moral Purpose
- Integrity
- Mutual Respect
- Care for Others
- Positivity
- Transparency

Our Strategic Priorities:

- To develop a clearer vision for the future with an ambitious strategic plan that provides direction and purpose for all individuals within the organisation
- To ensure high quality teaching, learning and assessment for our students
- To ensure that our students meet or exceed their potential and are able to progress with confidence into further education and employment
- To provide outstanding levels of guidance and support, inside and outside the classroom
- To build a secure financial position on which we can grow
- To improve our quality systems in order to gain an accurate measure of performance throughout the organisation
- To improve staff morale and restore pride in the organisation
