

The Cheadle and Marple College Network Mission:

“To provide the highest quality education for our students, whatever their age, background, and ability; and to be recognised as outstanding within the community we serve”

Our Vision:

“To create a unique, high achieving education network within Greater Manchester.”

Our Values:

- Dedication
- Determination
- Integrity
- Moral Purpose
- Mutual Respect
- Positivity
- Resilience

Our Strategic Priorities:

- To become an outstanding provider of Post 16 education through the delivery of high quality academic, vocational, apprenticeship and adult programmes
- To ensure that our students make excellent progress and progress with confidence to higher education or employment
- To identify and exploit opportunities to achieve financial resilience and sustainability
- To develop a college community that staff aspire to feel proud to be part of
- To ensure that we maintain an inclusive approach that celebrates diversity and promotes inclusion
